How can the PREview Resources help our Team in its prevention work?

The outcomes we want to see for children in our community are…

Our team’s prevention work makes a difference for children by…

The factors that apply to children and families round here are…

The way we could use this information in our day to day work is….

The ways in which our community already supports mothers and fathers to parent their children well are…

The ways we can connect with families early on in pregnancy and infancy to begin effective prevention work are…

What can we do differently (or not at all) to make some time?
